Brisa

CHEGA COMO UM SOPRO QUE DESPERTA
É O VENTO QUE DANÇA NA PELE

QUE BAGUNÇA O CABELO

QUE ABRE ESPAÇO PARA O NOVO
É O CONVITE PARA VIVER O VERÃO

BRISA É LEVE

É SENSAÇÃO

É INTENSIDADE

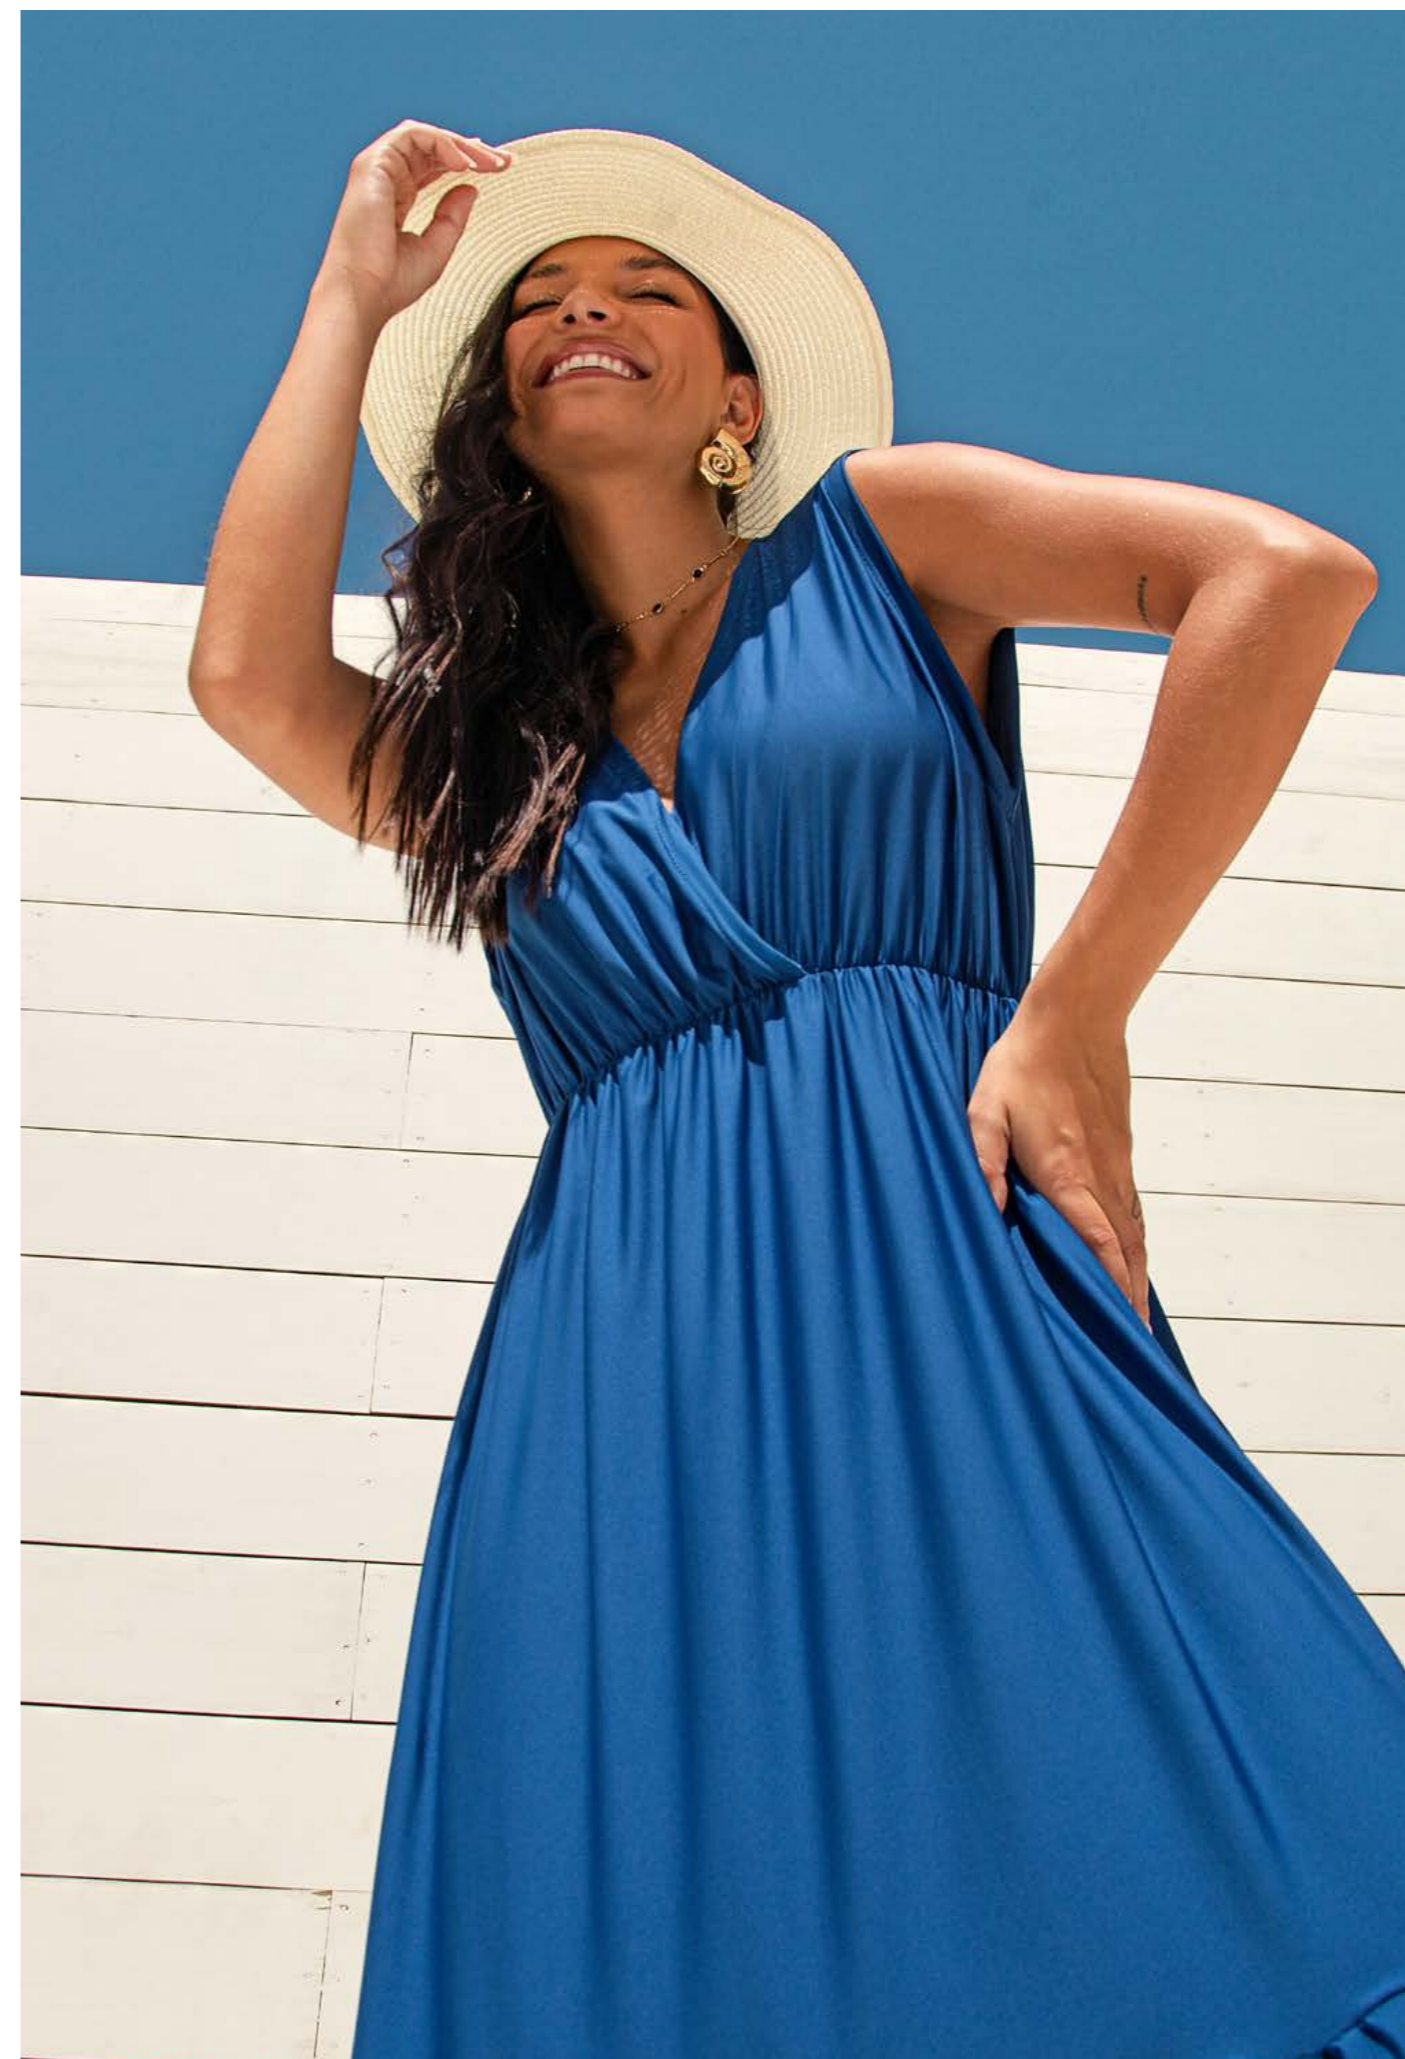

É A VIDA SOPRANDO POSSIBILIDADES

BRISA ARSIE

LEVE COMO O QUE É VERDADEIRO.

1 COMBINAÇÃO DE ESTAMPAS

Peças com diferentes estampas, mas o mesmo fundo para criar unidade visual.

Como replicar:

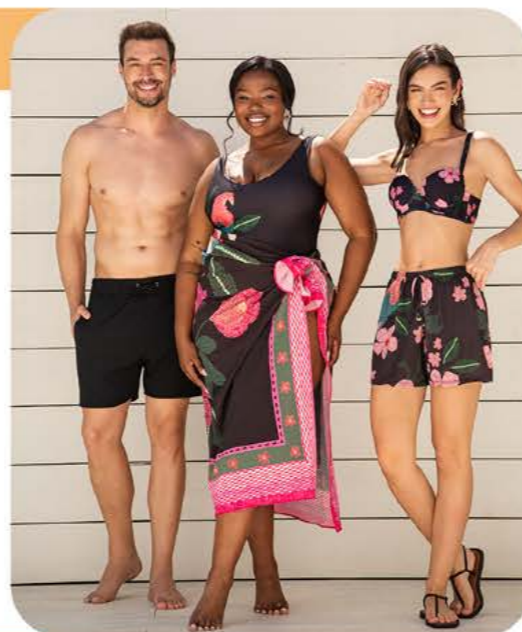

- Escolher a estampa da coleção
- Vários opções de modelos
- Um look no mínimo com saída

Por que funciona:

- O cliente entende que tudo faz parte do mesmo "universo".
- Auxilia a venda combinada
- Sensação de loja organizada e pensada.

Dica:

Se não tiver a mesma estampa em tudo, use cores repetidas (ex: preto + rosa) pra criar o mesmo efeito.

2 LOOKS NO MESMO TOM

Todos os **looks** estão no mesmo **tom**, mudando apenas os modelos.

Como replicar:

- Separe a cor destaque da coleção
- Monte a vitrine só com essa cor:
 - várias opções de modelos
 - use acessórios neutros

Por que isso funciona:

- A vitrine fica impactante
- O cliente entende cor e variedade de opções.

Dica:

Use em datas comemorativas
Produtos que você quer girar rápido.

3 LOOKS COMPLETOS

Mostrar o look completo.

Como replicar:

- Pensar como look pronto para uso.

Por que funciona:

- O cliente imagina o look real.
- Aumenta o ticket médio.
- Ajuda a abordagem na venda.

Dica:

No interior da loja deixe as peças próximas para facilitar o look.
